**Attention: Mike Dreitzer**

Dear Chairman Mike Dreitzer,

The Gaming Control Board recently made proposed changes to Regulation 5.320 (2). On January 29th, 2026 the Nevada Gaming Commission will review and make a final decision on all changes to Regulation 5. It was recommended club venue cashiers now be required to register with the Enforcement Division. Therefore, they must be 21 years old. Presently, The TAO Group Hospitality employs approximately 5 cashiers between the ages of 18-20. I am kindly requesting a one-year grace period to give us time to recruit cashiers who are 21. On behalf of the TAO Group I would like to state we are in complete support of all regulatory changes. It is our top priority to ensure compliance with all regulatory requirements. I sincerely appreciate your time in reviewing this matter.

Respectfully,  
Renee Rivera-Shaffer

Director of Compliance
